

## **Pets Policy**

We are a pet friendly hotel and welcome our guests bringing their pets with them.

Guests staying with their pets will be allocated rooms within The Coach House, where we provide beds, bowls and dog food.

We do not allow pets into our restaurant or private dining rooms.

During breakfast, lunch and dinner we are happy to look after guests pets at reception whilst they are dining within the hotel, however we respectfully ask that while at reception, pets need to be kept in a crate.

We cannot take dogs out of the crate and for walks on an owner's behalf. Pets continue to be welcome with their owners in our bar and public areas.

We charge an additional £20.00 per pet per night
